2 GORDIAN NDUBIZU, after having been duly
3 sworn, was examined and testified as follows:

4 - - -

5 MR. TAYLOR: Okay. Mr. Swyers, Mr.
6 Ndubizu has been sworn in. We're ready -- are we
7 ready to go?

8 MR. SWYERS: Yes, I am. And just, you
9 know, for the record, I just wanted to clarify, can
10 we just get a brief proffer from counsel that
11 counsel does represent this witness?

12 MR. TAYLOR: For the record, our office
13 does not represent Mr. Ndubizu in an individual
14 capacity. Mr. Ndubizu is here as a fact witness
15 and will testify consistent with any knowledge he
16 has related to PCNI Princeton Junction branch. We
17 represent the branch itself, PCNI, Princeton
18 Junction, they are the named party in the petition
19 to cancel.

20 MR. SWYERS: Counsel is aware that he's
21 just waived any attorney/client privilege with the
22 witness?

23 MR. TAYLOR: We can visit that at the
24 time of any questions, but I understand your
25 position on that.

1 MR. SWYERS: So to be clear, your firm
2 does not represent this witness?

3 MR. TAYLOR: Correct.

4 MR. SWYERS: Thank you. Kindly proceed.

5 BY MR. TAYLOR:

6 Q. Okay. Mr. Ndubizu, good morning.

7 A. Good morning.

8 Q. My name is Matthew Taylor and I'm an
9 attorney at Stark & Stark. We represent the
10 petitioners in this matter. A few minutes ago you
11 were placed under oath by the court reporter and I
12 want you to understand that that means that you
13 have an obligation to testify truthfully here
14 today. Do you understand that?

15 A. Yes.

16 Q. And I note we're in an informal setting
17 here in a conference room, but you understand that
18 testimony you're going to provide today is the same
19 as if you were sitting in a court before a judge?

20 A. Yes, I understand that.

21 Q. Okay. Just so you're clear about how
22 we're going to proceed today, I am going to ask you
23 a series of questions and it's going to be
24 important that you verbalize a response to those
25 questions. Do you understand that?

1 A. Yes.

2 Q. Okay. And the reason for that is
3 because the court reporter is making a written
4 transcript of this proceeding. Do you understand
5 that?

6 A. Yes.

7 Q. And that transcript will be filed with
8 the Trademark Trial and Appeal Board in this case.

9 A. Yes.

10 Q. Okay. At certain points I will ask you
11 a question and Mr. Swyers, who is appearing by
12 telephone, may object to that question. If he does
13 so, please allow him to voice his objection and
14 afterwards we'll handle the question as
15 appropriate. Do you understand that?

16 A. Yes.

17 Q. Okay. Great.

18 And, also, if you want to take any
19 breaks or if you need to get up, or anything like
20 that, just please let me know. Okay?

21 A. Okay. Thank you.

22 Q. Okay. So, Mr. Ndubizu, we're going to
23 start off, can you just, please, give me a brief
24 description of your educational background
25 following grade school?

1 A. Well, I received my bachelor degree in
2 accounting from Suny Binghamton State University of
3 New York in 1958 and then I got my master's, maybe,
4 in 1980. And then a Ph.D. from Temple University
5 accounting, also, in 1985.

6 Q. Okay. Can you give me a brief
7 description of your professional background?

8 A. I have been assistant professor at the
9 University of North Texas. Then I came, in 1985,
10 '86, came to Drexel, was promoted associate with
11 tenure and became full professor at Drexel in the
12 last, maybe, about 20 years now. So I have been at
13 Drexel for about 30 years.

14 Q. Okay. And that's Drexel University in
15 Philadelphia?

16 A. In Philadelphia.

17 MR. TAYLOR: Mr. Swyers, can you hear
18 the witness okay?

19 MR. SWYERS: I can hear him beautifully.
20 Thank you for asking.

21 BY MR. TAYLOR:

22 Q. Mr. Ndubizu, where do you currently
23 live?

24 A. I live in Princeton Junction, New
25 Jersey.

1 Q. Okay. And how long have you lived in
2 Princeton Junction?

3 A. About 21 years.

4 Q. Okay. Thank you.

5 All right. Mr. Ndubizu, what is the
6 Peoples Club of Nigeria International?

7 A. It is a social club. People getting
8 together to socialize and do networking and do a
9 little bit of charity, essentially, in US.

10 Q. Can you describe your involvement with
11 PCNI, please?

12 A. Well, I joined the club in Washington
13 D.C. in 1994. We're the second club in US. The
14 first one was in Houston. The second one was in
15 Washington D.C. I was among the founding members
16 in Washington, the regional members of Washington.
17 So I was going to meeting from Princeton Junction
18 to Washington and that's quite a distance.
19 Eventually, we -- I got enough people interested in
20 Peoples Club from New Jersey area who were -- who
21 became members of Washington and we decided to form
22 one in Princeton Junction.

23 Q. Okay. And what year was that, that you
24 formed the Princeton Junction?

25 A. Well, we form one in Princeton in 1998.

1 Well, we found it '96, '97. We are having
2 meetings. We incorporated, maybe, around '96 or
3 '97. Then we inaugurate, meaning our affiliation
4 with Nigeria, Peoples Club of Nigeria, that's what
5 it's known. That's the name in Nigeria, Peoples
6 Club of Nigeria. But the one we have in US is
7 Peoples Club of Nigeria International and that
8 distinction should be clear. In Nigeria it's
9 Peoples Club of Nigeria. It's not Peoples Club of
10 Nigeria International. I have the registration
11 with me. I sue them in Nigeria, so I have to
12 obtain that clarity --

13 Q. Okay.

14 A. So the name in Nigeria is Peoples Club
15 of Nigeria. The name in America is Peoples Club of
16 Nigeria International. That's what we have here.
17 That's what we created in Princeton in 1998. But
18 before then, we already having meetings. In 1997,
19 '96 we incorporate and then in '98 we did the
20 alliance, which we'll call inauguration, with
21 Nigeria.

22 Q. Okay. What year was PCNI Princeton
23 Junction branch formed?

24 A. 1998.

25 Q. That's the Princeton Junction branch,

1 was 1998?

2 A. Yeah, Princeton Junction.

3 Q. Okay.

4 A. And I was the chairman, the founding
5 chairman.

6 Q. Okay. And what positions have you held
7 within PCNI?

8 A. I was the founding chairman of Princeton
9 and when you become two-time chairman, meaning
10 three years, I was chairman for three years -- in
11 fact, I was chairman for three years before we got
12 inaugurated. Chairman for three years, then I run
13 for another election and won. I was chairman for
14 another three years. So after that, I became
15 chairman in -- founding chairman. Meaning that I
16 was the chairman that founded the branch, created
17 the branch. Then I was chairman of that branch for
18 two times of three years each, so equally founding
19 chairman of Princeton.

20 Q. Okay. And what positions have you held
21 within PCNI Princeton Junction branch?

22 A. In Princeton Junction I am the chairman
23 of the Board of Trustees of Princeton Junction
24 branch. That's what you're asking me.

25 Q. And how long have you held that

1 position?

2 A. Since 1997.

3 Q. Okay. And I -- forgive me if you said
4 this earlier. You're also a member --

5 A. I am also a member of Princeton Junction
6 branch.

7 Q. Okay.

8 A. In fact, I'm also instrumental in
9 forming the Princeton Junction branch, which came
10 out of Princeton because of the conflict of court
11 case.

12 Q. Okay. Can you describe to me the
13 organizational structure of PCNI, generally?

14 A. With PCNI it -- PCNI I like to use the
15 word PCNI Peoples Club of Nigeria International to
16 describe the American branches. And I use the PCN,
17 Peoples Club of Nigeria, to describe the Nigerian
18 branches because that's the official name in
19 Nigeria. That's the name with which they're
20 incorporated in Nigeria. Because if you go to
21 Nigeria and use PCNI, you cannot sue them with that
22 name because it's not recognized by the government
23 of Nigeria. It's not their name.

24 Q. Okay. And I think you just answered
25 this question, but does PCNI operate

1 internationally?

2 A. Well, PCNI, yes, we have branches in
3 Canada and in London.

4 Q. Okay. And can you tell me what is the
5 leadership structure for PCN?

6 A. PCN has central executive committee.
7 And the central executive committee is made up of
8 chairman of all the branches. So every branch
9 chairman is a member of that central executive
10 committee. And the secretary of all the branches
11 is also part of it. And then the patrons are part
12 of it. These are what constitute this central
13 executive committee.

14 Then there is elected officers of
15 central executive committee, which will be the
16 president, the vice and treasurer, legal adviser
17 and other officers that they elected. These are
18 the groups. If you put all of them together, there
19 may be, who knows, maybe up to 70 of them.

20 So if you think in terms of who, that
21 tells you how many members will be present in order
22 to have any legitimate meeting, and all their
23 meetings at the headquarters. They don't have
24 meetings outside of the headquarters.

25 Q. Where is their headquarters located?

1 A. In Onitsha, Nigeria. Any meeting
2 outside of headquarters is illegitimate. So they
3 will hold meetings at headquarters.

4 Q. Okay. And are you familiar with the
5 term "PCNI branch"?

6 A. Right.

7 Q. Okay. And what is a "branch"?

8 A. Branch is the club have really no
9 central membership. Headquarter have no
10 membership. Headquarter is really all the branches
11 coming together. So what are the branches? The
12 branches are very autonomous. Each branch must
13 have a minimum membership of 20. And it will have
14 chairman elected, vice chairman elected, financial
15 secretary elected, treasurer elected and legal
16 advisor sometimes appointed and all of the other
17 acquisitions they need depending on the goal and
18 objective of the branch because each branch is
19 unique. They are not the same. Sometimes you can
20 apply for membership in one branch and you are
21 denied, you go to another branch and they will
22 accept you, to tell you how unique the branches
23 are.

24 Q. Okay. So what are the different types
25 of positions that an individual could hold within a

1 PCNI branch?

2 A. These are the -- you can be appointed.
3 You can be elected. Yearly the goal election,
4 chairman, vice chairman, secretary, assistant
5 secretary, financial secretary, assistant financial
6 secretary, treasurer. Sometimes some branches have
7 assistant treasurer. Then they have legal advisor.
8 Then they have house master. These are the various
9 and any other positions the branch may think is
10 necessary.

11 I know in the one branch would think
12 organizing our children is important so there is
13 position for somebody to lead in that direction.
14 Other branches don't focus on that. Other branches
15 own -- some branches own properties, so they have
16 committee or position to manage the property. So
17 these are depending on what the branch wants to do.

18 Q. Okay. And what are some nonelected
19 positions within a PCNI branch?

20 A. Nonelected position would be, maybe,
21 something like -- they all have board of directors
22 because in US all the -- all the -- all the
23 branches in US are incorporated. Positions of
24 limited liability, nonprofit limited liability.
25 And incorporation in this country is a state law.

1 So they have to incorporate in the various states.

2 And to incorporate you there have to
3 identify -- most states will require that you
4 identify the trustees. Minimum of three in New
5 Jersey. Some states we're at five, so on and so
6 forth. So all of them have their own directors of
7 trustees.

8 Q. Okay. And where does the PCNI branch
9 register as a business entity?

10 A. In the state.

11 Q. In the --

12 A. You mean the one in the US?

13 Q. Yes.

14 A. PCNI, they already signed various
15 states. What do they call it? The state --
16 Secretary of State Office. That's where.

17 Q. Of the state in which they're operating
18 and their organization operates?

19 A. Correct. In the state where they
20 operate, they go to the state government where
21 incorporation is done and they do the incorporation
22 there.

23 Q. Okay. Just so I'm clear, can you tell
24 me what steps are required to establish a PCNI
25 branch in the United States?

1 A. All that's required is that the members
2 that are together and decided to incorporate. Then
3 they go to the state and form the article of
4 incorporation. Here they focusing on nonprofit
5 article of incorporation. And there they will ask
6 you the name which you want to use. That's one of
7 the first questions and they will identify what
8 name they want and they will do a name search. And
9 if they approve it, then they will ask you other
10 questions, what are the legal address, legal
11 address in the state. They will ask you questions,
12 such as, who trustee. You have to identify three
13 or five trustees with their address in the state;
14 who is incorporating agent. Things like that. Ask
15 normal question you see in the article of
16 incorporation throughout most of the state. These
17 are common questions.

18 Q. Okay. And how many members are needed
19 to start a PCNI branch within the United States?

20 A. About 20.

21 Q. Okay.

22 A. 20 members.

23 Q. All right. Can you tell me what is the
24 relationship between a PCNI branch in the United
25 States and PCN in Nigeria?

1 A. The relationship is an alliance. This
2 alliance, we started to create this alliance to
3 strengthen cultural relationship with the country
4 where we came from. So we wanted to have an
5 association, an alliance with the club there, where
6 we can do cultural exchange for the benefit of our
7 children who don't know that much about the
8 culture.

9 So, initially, when I was in Princeton
10 branch, we will invite them over, we will invite
11 members of Peoples Club of Nigeria over. We will
12 write the letter to US embassy in Lagos, Nigeria
13 asking them to give them visa to come and we
14 will -- in our letter we will ensure, we'll tell
15 the embassy that we will be financially responsible
16 for their coming and their stay in US. And when
17 they get here, usually I will distribute them to
18 members who will want them to come and stay in
19 their homes so that they can socialize with the
20 homes.

21 So that was how we started with them
22 at that time. It was us inviting them over to come
23 in and socialize with us. So members pick whoever
24 they would like to have in their home for the
25 period that they will stay and we'll pay all of the

1 expenses.

2 Q. Okay. What role do -- I'm sorry.

3 Strike that.

4 What role does the headquarters in
5 Nigeria play in an individual's decision to become
6 -- or an individual's ability to become a member of
7 a PCNI branch in the United States?

8 A. Well, we create member then -- we write
9 them we want affiliation with them. And they will
10 say, yes. They never said no because they need --
11 we're going to pay the money on which they
12 desperately need. An average income in Nigeria, a
13 year is, like, \$20. So we here and sending money
14 to help build that club, their club at home, in
15 Nigeria. And, essentially, that's what we did,
16 because their club in Nigeria was on the verge of
17 going bankrupt. So we provided the fees to review
18 their club, clean it up and that's how that club
19 was still in existence now. Otherwise, it would
20 have gone bankrupt.

21 Q. Okay. Well, what financial
22 contributions do branch members in the United
23 States make to PCN in Nigeria?

24 A. In Nigeria, well right now, if we invite
25 them over to create a new branch, we give them

1 thousand dollar. For each member we dock -- for
2 each member that we get, we give them, I think it's
3 \$500 for each member. And then we also -- there is
4 an insurance program we have with them that
5 everybody pays \$31 a year.

6 Q. \$31 per year?

7 A. Per year. And people like me, who is a
8 patron, I have to go over there and build -- build
9 -- help build, like, suite, three-bedroom suite.
10 Three of them, furnish it and they rent it out in
11 hotel and get money.

12 Q. Where is that suite located?

13 A. It's located at headquarters.

14 Q. And what was your involvement with the
15 development of that suite?

16 A. It's part of my contribution for making
17 me patron. So all these things are money we spend.
18 In my membership of 21 years, I probably have spent
19 around \$200,000 for the club. The money that I
20 have spent for this club.

21 Q. And that's money that you've,
22 personally, spent?

23 A. My personal money that I spend for this
24 club.

25 Q. Okay. How many PCNI branches are

1 operating in the United States currently?

2 A. Well, it should be about 20 or so.

3 Q. You think about 20?

4 A. Yes.

5 Q. And do you have personal knowledge of
6 whether PCN is a registered entity in Nigeria?

7 A. PCNI --

8 Q. Well, my question is PCN, we'll start
9 there.

10 A. Okay. PCN is registered.

11 Q. It is; okay.

12 And where is it registered?

13 A. It's registered at Abuja. In Nigeria,
14 corporate registration is, like, federal law. It's
15 just like in this country, it's -- incorporation is
16 a federal law. In US, here, incorporation is a
17 state law, so everybody goes to the state. In
18 Nigeria it's a federal. Despite the fact that
19 Nigeria has 36 states and each state has their own
20 law, which, state law in Nigeria has nothing to do
21 with incorporation. It's the federal law that
22 incorporates in Nigeria.

23 Q. So PCN is registered one time in
24 Nigeria?

25 A. PCN have only one incorporation and all

1 the branches are covered under that one
2 corporation.

3 Q. Okay. How about, is PCNI registered in
4 Nigeria?

5 A. No. PCNI is not registered in Nigeria.

6 Q. Okay. Mr. Ndubizu, are you familiar
7 with the trademark at issue in this lawsuit?

8 A. Yes.

9 Q. Okay. And can you describe that
10 trademark for me?

11 A. The trademark is the PCN -- PCNI,
12 Peoples Club of Nigeria International is the name
13 and the logo, they're three rings.

14 Q. Okay. And to your knowledge, has this
15 trademark been used by PCNI branches operating in
16 the United States?

17 A. Yes. We've been using it since I join
18 in 1994, we using the name, we using the logo in
19 all of our transactions, letterhead, our
20 invitations, our social event, our invitation card,
21 our brochure, our photographs, our DVD we develop.
22 All in the package we develop, even on our Web
23 site.

24 Q. Okay. So we're clear, is the trademark
25 you're referencing the trademark at issue in this

1 lawsuit that was registered with the US Patent
2 Trademark office?

3 A. Yes.

4 Q. Okay. When did PCNI Princeton Junction
5 branch start using the trademark?

6 A. We started using it because we come out
7 of Princeton, so we been using it since 1996, '97.
8 Then Princeton was inaugurated in '98. We
9 continued to use it when Princeton then was split,
10 we continued to use it in Princeton Junction.

11 Q. And when you say "use it," you mean for
12 the purposes that you testified to a few minutes
13 ago?

14 A. Yes. We continued to use it in our
15 letterhead, our social events invitation, any of
16 our activity.

17 Q. Okay. To your knowledge, did the
18 petitioner, PCNI Chicago, use this mark that we're
19 discussing?

20 A. Yes.

21 Q. And to your knowledge, when did PCNI
22 Chicago use the mark?

23 A. PCNI Chicago was created in 1996 and was
24 inaugurated '97. They've been using it in all
25 invitation I get, all their brochures, everything,

1 I see Peoples Club of -- PCNI Chicago.

2 Q. Okay. And to your knowledge, did
3 Petitioner PCNI Miami use the trademark that we've
4 been discussing today?

5 A. Yes. PCN Miami was created the same
6 time as PCN Princeton that I was the founding
7 chairman. They were using it the same time we were
8 using it in Princeton. They were created a week
9 before us. So they were inaugurated, they were
10 using it and they came out of Houston branch. They
11 were using it from Houston branch, they come to
12 Miami, they continued to use it.

13 Q. So each of the petitioner branches used
14 the mark prior to 2013?

15 A. Yes. They were all using it prior to
16 2013. And everyone knows that.

17 Q. Okay. All right. Mr. Ndubizu, who is
18 the president of PCN currently?

19 A. PCN, currently, is a Chief Sam
20 Iwuchukwu.

21 Q. Spell that, please.

22 A. Sam will be S-A-M, which means Samuel.
23 Short name for Samuel. Iwuchukwu will be
24 I-W-U-C-H-U-K-W-U.

25 Q. Okay. And to your knowledge, who else

1 claims to be the president of PCN?

2 A. Is Joseph Ilonze, I-L-O-N-Z-E.

3 Q. Can you tell me why there is a dispute
4 over who is the rightful president of PCN?

5 A. Well, the dispute is the reason why I
6 and two other patrons from US join and sued Peoples
7 Club in Nigeria for not following their rules.
8 There are bylaws in the constitution, which is they
9 don't want to have election. So the older people
10 that are traditional rulers in Nigeria that are
11 members, because they're traditional rulers, the
12 citizens are afraid of them and they're also
13 members of Peoples Club. And one of them was
14 appointed trustee 13 years ago. His name is
15 Ezeokpoko.

16 Q. Can you spell that for us?

17 A. Ezeokpoko will be E-Z-E-O-K-P-O-K-O.
18 Ezeokpoko was appointed trustee of the club 30
19 years ago. And the constitution of the club said
20 trustee appointment is five years each time. But
21 you can only have a maximum time of two times,
22 which means a total of ten years. So he has stayed
23 there for more than 20 years extra and refused to
24 remove himself in variation of our rules. So we
25 sued him and the rest of them, they stay out.

1 Ilonze is his big friend. Friend in the sense that
2 Ilonze collect money from him from the club. So if
3 he wants Ilonze to be chairman so Ilonze will be
4 collecting all the rent money from the premises.
5 Anything he wants as if the headquarter is his
6 private property.

7 When branches in Nigeria sell their
8 property, some of them own land, he said he's the
9 trustee, he has to sign so that the sale will be
10 approved by the government because trustee has to
11 sign any sale of land. That's why you need trustee
12 in Nigeria. But you have to have four trustees.
13 So he continued to force himself as trustee. He
14 want Ilonze to be present so that he will -- so
15 that he will use the property of the club as his
16 personal property. He wants Ilonze without
17 election and we insist that the election be
18 conducted. And when they refused, sue, that
19 election be conducted and Peoples Club constitution
20 be followed. That's all the lawsuit is all about.
21 And they're fighting the lawsuit, which means they
22 don't want the constitution to be followed.

23 Q. Who is "they"?

24 A. Ezeokpoko and Ilonze and their group.
25 So the club is divided into two. There is group

1 who benefit if we don't follow the rules.

2 Q. Okay. And --

3 A. So to answer your question, Ilonze was
4 handpicked by this group. Then the rest of the
5 club who holding meeting, advertise in the
6 newspaper that they want to have an election and
7 they held that election and Sam Iwuchukwu was
8 elected.

9 Q. Okay. And --

10 A. So we had Sam Iwuchukwu elected and we
11 have Joseph Ilonze handpicked by this other group
12 who doesn't want election.

13 Q. Can you explain to me what -- you're
14 referencing a group. Can you tell me what is this
15 group that you're referencing, what is the name of
16 it?

17 A. The group that I referencing is called
18 the Pentagon.

19 Q. Okay. And what is the Pentagon Group,
20 can you explain that?

21 A. Pentagon is this group of branches that
22 do not want to follow the rules, our constitution.
23 They want to handpick who will be the president.
24 And then we have another group who is against such
25 dissent -- and the group that wants the

1 constitution to be followed, our bylaws followed,
2 we call them the Progressive. And then we have
3 Progressive branches and Pentagon branches. And
4 the lawsuit have divided the club into two.

5 The Pentagon branches are demanding
6 that everyone condemn the lawsuit and the
7 Progressive branches said there's nothing to
8 condemn, let the lawsuit go forward, let the court
9 hear it. The Pentagon group went to court and said
10 the court should drop our lawsuit, that we're not
11 even members. Because in America, we are Peoples
12 Club of Nigeria International. And in Nigeria they
13 are Peoples Club of Nigeria, that we're different.

14 Q. Okay.

15 A. The judge ruled on it and said that we
16 are patrons of Peoples Club, which is the highest
17 rank in the club. People of that level in the
18 club, their complaint cannot be thrown away. So
19 the judge have ruled that we have a local standing,
20 that they must hear us. And after the judge ruled
21 that they must hear us, which was done on July 8,
22 2013. Then they decided to expel. Expel, they
23 start writing letter that this person is expelled.
24 This person is expelled. And expelling somebody,
25 rule, file a legitimate lawsuit in retaliation in

1 common law. Including Nigeria.

2 So with that we have assemble all the
3 electors of retaliation and we ask them for
4 injunction of them --

5 Q. Okay.

6 A. -- which is still ongoing.

7 Q. Okay. We're going to get to that.

8 A. The court put an injunction on them.

9 Q. All right. Well, we're going to get to
10 that in a little bit here. And, actually, well,
11 let me -- I guess while we're on the topic here,
12 are you currently -- do you have an understanding
13 -- or are you expelled as a member of PCNI?

14 A. Right. That the letter they wrote said
15 I am expelled member, but the court have ruled on
16 July 8th that I am a member and I have a local
17 standing, that they will hear my lawsuit.

18 Q. Okay. So you received a letter from
19 somebody at PCN that indicates that you are
20 expelled as a member of PCNI?

21 A. Joseph Ilonze, the president.

22 Q. And he is the individual that --

23 A. Signed a letter.

24 Q. -- indicated you were expelled as a
25 member?

1 A. Right.

2 Q. And are you aware of what authority Mr.
3 Ilonze had to take this action to expel you?

4 A. He had no such authority.

5 Q. Okay. And prior to this expulsion, were
6 you provided with any written notice advising you
7 that you were going to be expelled?

8 A. Nobody called me to even come and hear
9 me out. There's no due process. All of a sudden,
10 I saw on the Internet the letter signed from
11 different people that I'm expelled.

12 Q. Okay. So I think you might have
13 answered this, but what process were you given to
14 challenge your expulsion, personally?

15 A. Nobody give me any -- any room to -- any
16 place to go and challenge the expulsion.

17 Q. Okay. And why was PCNI Princeton
18 Junction branch expelled as a branch, to your
19 knowledge?

20 A. Because they wrote a letter to our
21 chairman and asked him to write a letter saying
22 that he's against the lawsuit filed by the patron,
23 US patron, against them for not following the
24 constitution. And our chairman refused to do it.
25 And there's other chairmen that refused to do it in

1 US. Those ones that refuse to do it in US, they
2 expelled them. But the ones that refused to do it
3 in Nigeria, they did not expel them.

4 Q. Now, who claims that the Princeton
5 Junction branch was an expelled branch?

6 A. I think it's, again, a letter from
7 Joseph Ilonze, once again, the same guy that claim
8 to be president.

9 Q. Okay. To your knowledge, what authority
10 did Mr. Ilonze have to expel the Princeton Junction
11 branch?

12 A. He has no such authority. And even to
13 dissolve Princeton Junction, have no such authority
14 an incorporated entity, and we writing a letter
15 from our legal -- our lawyer telling him that this
16 Princeton Junction is an incorporated entity and
17 our bylaw say that no external force can expel our
18 executive or can dissolve the company. The only
19 one who can do it is the membership or our
20 trustees. We can go to the State of New Jersey and
21 file a dissolution if we wish to dissolve.

22 Q. Okay.

23 A. That no entity externally have such an
24 authority. Even Nigeria government have no such
25 power. And I have written to Joseph Ilonze to warn

1 him that Nigerian government have no idea that he
2 is writing such letter. That if visit Nigeria I
3 will take some of his letter and submit it to
4 Nigeria external affairs because they are not aware
5 that he's writing such a letter and sending it
6 overseas.

7 Q. Okay. Well, I want to ask you a
8 question, here, did PCNI or -- strike that.

9 Did PCNI provide any written notice
10 advising that the Princeton Junction branch was
11 going to be expelled --

12 A. No.

13 Q. -- prior to that decision?

14 A. No.

15 Q. Okay. And to your knowledge, what
16 procedures or process was the Princeton Junction
17 branch given to challenge the expulsion?

18 A. Nothing. It was the -- they were
19 accused of fraudulent petition to US PDO. And when
20 it became apparent that the formal application was
21 fraud, then they were looking for answer. And then
22 they couldn't figure out an answer. They thought
23 by writing that they dissolve us that will be an
24 answer to it.

25 Q. Okay.

1 A. And that was what they were cooking.
2 Other than that, there is nothing, like, dissolving
3 us. Never happen in original Peoples Club.

4 Q. To your knowledge, what is the
5 relationship between Mr. Ilonze and the registered
6 PCNI, Inc.?

7 A. He has no such authority with it and the
8 side agent -- PC -- Peoples Club of Nigeria, PCNI
9 New Jersey that is incorporated, Ilonze have
10 nothing to do with it. Sam Iwuchukwu, the
11 president, he's the one that give Dr. Mgbako
12 \$5,000 to pay for the registration.

13 Q. Okay. Yeah, we'll discuss that, that's
14 fine. Let's just get back to this here. And I
15 think you testified to this, but does the Princeton
16 Junction branch still exist as a New Jersey entity
17 presently?

18 A. Yes.

19 Q. Okay. And I want to switch gears a
20 little bit. You mentioned this individual. Now,
21 do you know an individual named Dr. Iddi Mgbako?

22 A. Yes.

23 Q. And can you tell me who he is?

24 A. Dr. Mgbako is Nigerian that live in
25 Edison, New Jersey. When I started the Peoples

1 Club, PCNI Princeton, one of his relatives came and
2 asked me to admit him to the club. I told his
3 relative that I don't know him. He said he live in
4 New Jersey. He's a psychiatrist that is relative.
5 We're doing our inauguration the next day. I said
6 bring him to my hotel room in Newark. Let me see
7 him. So he brought him, so I talked to him, look
8 at his age, slightly older than me. So I said,
9 okay. I told him, it's too late for admission
10 committee to meet with him and interview him.
11 That's the normal procedure. We couldn't interview
12 him and find out. I said, well, as the chairman
13 let me gamble here. Hopefully, they will not be so
14 upset with me. I said, dress up, show up at the
15 inauguration and I will smuggle you in with the
16 lineup.

17 So he showed up and I told him to sit
18 with the group that are going to be inaugurated.
19 So he showed up with them. Sooner or later one of
20 them came out and said, who is this? I said, Don't
21 worry, I will explain later. So he was inducted
22 without filling application, without filling the
23 form, without nothing.

24 Q. What year was all of this?

25 A. September, I believe, 1998.

1 Q. Okay. And what branch did he become a
2 member of?

3 A. Became member of Princeton.

4 Q. Okay.

5 A. So I admitted him without the committee
6 approval.

7 Q. To your knowledge, what branch or
8 organizations is Dr. Mgbako affiliated with today?

9 A. Princeton.

10 Q. And do you know what his title is there?

11 A. I don't think he has any position, but
12 other than he's a patron of the club.

13 Q. Okay. Have you ever filed a lawsuit
14 against Dr. Mgbako in Nigeria?

15 A. Well, when he became a member of
16 Princeton, at some point he encourage some members,
17 group of members, against me and the executive.
18 And then when -- we resolve that matter and then we
19 conducted election. After the election he organize
20 the newly appointed elected president and told him
21 to move the branch from Princeton, where we have
22 meeting, that's why it's Princeton, to Newark. And
23 they moved the branch to Newark and that's what led
24 to lawsuit.

25 So we went to court and said in

1 Peoples Club you don't move a branch. If you want
2 to form a Newark branch all they need to do in --
3 and the rest of them living around one can apply
4 just like we were all Washington branch, we were
5 all going to Washington and wanted the branch close
6 by. We apply and then we created a branch in
7 Princeton. Now he came in, instead of following
8 the procedure, he went and won election and took
9 our branch there. So we went to court, finally,
10 and we settle out of court that we divided the
11 money and the -- and the name.

12 Q. Following that lawsuit in New Jersey,
13 what were the names of the two different branches?

14 A. That's how the two name become
15 Princeton, Princeton Junction.

16 Q. And those two branches were created
17 after that lawsuit?

18 A. After that lawsuit, after the Princeton.

19 Q. So my question is, have you ever filed a
20 lawsuit against Dr. Mgbako in Nigeria?

21 A. In Nigeria, no.

22 MR. TAYLOR: Okay. All right. Mr.
23 Swyers, do you have the documents that I sent you?

24 MR. SWYERS: I do. Thank you very much.

25 BY MR. TAYLOR:

1 Q. Okay. All right. I am going to take a
2 look at some of these now.

3 All right. Mr. Ndubizu, I have what's
4 marked as PP-1 and I'm going to show this to the
5 witness. And just for the record, I have three
6 copies of the documents here in the conference
7 room, one of which is with the court reporter, I
8 have one and then I have another one for the
9 witness.

10 Mr. Ndubizu, can you take a look, I
11 have showed you, here, what is marked as
12 Plaintiff's Exhibit PP-1 bearing Bates stamp
13 Petitioners 0009. Do you recognize this document?

14 A. Yes.

15 Q. And what is this document?

16 A. This is the incorporation for Peoples
17 Club, PCN, Princeton Junction branch.

18 Q. How do you recognize this document?

19 A. This is the incorporation we did for
20 Princeton Junction in 2000 -- I believe in 2006,
21 yes. You can see that we incorporated before we
22 actually did the alliance with the Peoples Club of
23 Nigeria in 2007. So we're already in existence and
24 then we seek alliance with them.

25 Q. Okay. And is this a true and accurate

1 copy of that document?

2 A. Yes.

3 Q. Okay. I have what's been marked here as
4 Exhibit PP-7.

5 MR. TAYLOR: Mr. Swyers, I handed a copy
6 of that document to Mr. Ndubizu.

7 MR. SWYERS: Thank you for letting me
8 know.

9 BY MR. TAYLOR:

10 Q. Okay. And, Mr. Ndubizu, I handed you a
11 document that has been marked as PP-7 for
12 identification, bearing Bates stamp Petitioners
13 0230. Do you recognize this document?

14 A. Yes.

15 Q. Okay. And what is this document?

16 A. This document written by Gabby Nwankwo,
17 whom I know, saying that they dissolve the
18 Princeton Junction branch because they did not
19 contend (ph) the lawsuit, which in itself is
20 illegal. It's a retaliation.

21 Q. Okay. To your knowledge, did you -- was
22 this letter sent to you at some point?

23 A. I have gotten it, yeah.

24 Q. And you see that the letter is dated
25 July 20 of 2013; is that right?

1 A. Yes.

2 Q. Okay. And do you believe this to be a
3 true and accurate copy of this letter?

4 A. Right.

5 Q. Okay. I have what has been premarked
6 here as PP-9. I am handing a copy of this document
7 to the witness. And, Mr. Ndubizu, I just handed
8 you a document that has been identified --
9 identified as PP-9, bearing Bates stamp Petitioners
10 0059 and 0060. And do you recognize this document?

11 A. Yes.

12 Q. Okay. And what is this document?

13 A. This is another letter they wrote saying
14 the final expulsion and suspension of members. And
15 I think my name was on this, too.

16 Q. Okay. Take a look at it. Do you see
17 your name on that list?

18 A. Yes. My name is Number 9.

19 Q. Okay. And how do you recognize this
20 document?

21 A. It's the document, the Pentagon Group
22 and their leader sent them out. We initially
23 thought they were trying to use it to intimidate
24 our own group. And so we -- the Pentagon group,
25 because the club is divided into two, our group are

1 -- is called Progressive. Their group is Pentagon
2 group. So their leader in their group is writing
3 this to our members, selecting our member and
4 telling them that they're suspended or expelled to
5 intimidate them. And, generally, we ignore them
6 since the court ruled that the people who sued you
7 have local standing and the case goes on so what's
8 the point.

9 Q. Okay. Thank you. I'm going to hand you
10 what's been premarked here as Exhibit PP-10.

11 MR. TAYLOR: Mr. Swyers, I'm handing
12 that document to the witness.

13 BY MR. TAYLOR:

14 Q. And this is marked as Plaintiffs Exhibit
15 PP-10, bearing Bates stamp Petitioners 0068 and
16 0069. Mr. Ndubizu, I have handed you this
17 document. Do you recognize this document?

18 A. Yes.

19 Q. Okay. And what is this document?

20 A. This is a letter written by the
21 president, Chief Sam Iwuchukwu, the president that
22 was elected. Not Ilonze that was appointed. And
23 he's writing them that they cannot intimidate us
24 with trademark. We've all been using the mark and
25 the name for many years and it belongs to all of

Page 42

1 us.

2 Q. When you say them, are you referencing
3 the registrant in this case --

4 A. The Pentagon.

5 Q. -- who has, in fact, registered the
6 trademark that we're -- subject to this litigation?

7 A. Right. The registrant is the Pentagon.
8 And the purpose of the registration is to
9 intimidate the Progressive who the court ruled.

10 Q. Okay. And do you recognize the
11 letterhead at the top of this document?

12 A. Right. The letterhead here say Peoples
13 Club of Nigeria/International.

14 Q. Who is identified as the president on
15 this document?

16 A. The president is Chief Sam Iwuchukwu.

17 Q. And this letter is dated --

18 A. 16th July 2014.

19 Q. Okay.

20 A. And signed by his secretary as well.

21 Q. Do you agree that this is a true and
22 accurate copy of this document, to the best of your
23 knowledge?

24 A. Yes.

25 MR. TAYLOR: Mr. Swyers, I have what's

1 marked as PP-11. I'm going to hand that to the
2 witness at this time.

3 BY MR. TAYLOR:

4 Q. Mr. Ndubizu, I've handed you document
5 PP-11, which bears two separate bates references.
6 It's Petitioners 0006 and Number 000002. And Mr.
7 Ndubizu, do you recognize this document?

8 A. Yes.

9 Q. Okay. And can you tell me what this
10 document is?

11 A. This document is a letter from Joseph
12 Ilonze claiming to be president of PCNI and saying
13 that final dissolution and withdrawal of charter of
14 Chicago, Miami and Princeton Junction.

15 Q. And what is this letter dated?

16 A. It's dated January 17, 2014.

17 Q. Okay. And do you recognize the
18 letterhead and the --

19 A. Yes.

20 Q. And do you recognize the logo on the top
21 there?

22 A. Right. Peoples Club of
23 Nigeria/International. The same logo we all been
24 using for ages.

25 Q. And do you believe this to be a true and

1 accurate copy of this letter?

2 A. Yes.

3 Q. Okay. Thank you. I'm handing Mr.

4 Ndubizu a document identified as PP-12. It's been

5 labeled PP-12 and it bears Petitioners Bates stamp

6 0058. And I handed that document to the witness.

7 Mr. Ndubizu, do you recognize this
8 document?

9 A. Yes.

10 Q. And what is this document?

11 A. This is, again, a letter from the same
12 Joseph Ilonze that claim to be president. And
13 again he said, reminder, expulsion names. So he
14 named all those people who doesn't agree with him
15 that if he wants to be president that election
16 should be called and we see who wins.

17 Q. And are you identified in this letter as
18 an expelled member?

19 A. Yes. Here, now, I'm number 10.

20 Q. Okay. And how about, to your knowledge,
21 are any of the petitioner -- strike that.

22 To your knowledge, are any of the
23 individuals listed on this letter members of the
24 petitioner branches?

25 A. No. They're all Progressive people.

1 This is people who are members of the Progressive
2 that he's telling they're expelled, that they have
3 expelled them to intimidate them. But not people
4 from the Pentagon Group.

5 Q. Okay.

6 A. In fact, the first name there is one of
7 the two living trustees that are left. And he's a
8 royal highness. He's a traditional ruler, Desmond
9 Oguguo. He's one living trustee and the other one
10 is Ezeokpoko, that I gave you before. Ezeokpoko is
11 on the Pentagon Group. He's the one that wants to
12 melt down the revenue from the headquarter. And
13 these other gentlemen is the one that say, no, you
14 can't do it. And they put him on this side.

15 Q. Okay. Okay. I have what's been marked
16 as PP-13. I'm going to hand that to Mr. Ndubizu at
17 this time. This document is identified as
18 Plaintiff's Exhibit PP-13 and it's bearing Bates
19 stamp Petitioners 0236. And, Mr. Ndubizu, I've
20 handed you this document. Do you recognize this
21 document?

22 A. Yes.

23 Q. And what is this document?

24 A. This is the letterhead for Peoples Club
25 of Nigeria International.

1 Q. Okay. And who is identified as the
2 president on this document?

3 A. It's Chief Sam Iwuchukwu.

4 Q. And where is that information located on
5 the letter?

6 A. It's on the left-hand side.

7 Q. Okay. And what is the -- is there a
8 date on this letter?

9 A. Yes.

10 Q. Okay.

11 A. July 16, 2014.

12 Q. Okay. And how do you recognize this
13 document?

14 A. I have seen it many times.

15 Q. Okay. And do you believe this to be a
16 true and accurate copy of this document, of this
17 letterhead?

18 A. Yes.

19 Q. Okay. Thanks. And now I have what's
20 been marked as PP-14.

21 MR. TAYLOR: Mr. Swyers, I am handing
22 that to the witness.

23 BY MR. TAYLOR:

24 Q. And this document, identified as
25 Plaintiff's Exhibit PP-14, bears Bates stamp

1 Petitioners 0237. And, Mr. Ndubizu, I have handed
2 you this document. Do you recognize it?

3 A. Yes.

4 Q. Okay. And what is this document?

5 A. Peoples Club letterhead. Peoples Club

7 Q. Okay. And what is the date on this
8 document?

10 Q. And who is identified as the president
11 on this letterhead?

12 A. It's Joseph Ilonze.

13 Q. And is this information contained
14 anywhere on the document?

15 A. Yes, on the left-hand side.

16 Q. Okay. And do you believe this do be a
17 true and accurate copy of this letterhead?

18 A. Yes.

19 Q. Okay. And, finally, I have here what's
20 marked as PP-15. And I'm going to hand this
21 document to the witness. I'm doing that now.

22 A. Okay.

23 Q. And, Mr. Ndubizu, I have just handed you
24 a document that's been premarked as Plaintiff's
25 Exhibit PP-15 and it's bearing Bates stamp

1 Petitioners 0307 through 0341. And do you
2 recognize this document?

3 A. Yes.

4 Q. Okay. Can you tell me what this
5 document is?

6 A. This is the lawsuit we filed in Nigeria
7 Federal High Court of Awka Judicial Division. And
8 this lawsuit sued Ezeokpoko and Ilonze and his
9 group. That they're not -- and the trustees. The
10 two living trustees, that they're not following the
11 Peoples Club constitution that is registered with
12 Nigerian government.

13 Q. Okay. And what was your involvement in
14 the filing of this lawsuit?

15 A. My involvement is that -- I am part of
16 the Plaintiff in this lawsuit.

17 Q. Okay. So do you have knowledge?

18 A. I hired, actually, the lawyer.

19 Q. Okay. And do you have knowledge of the
20 information contained in this lawsuit?

21 A. Yes.

22 Q. Okay. And can you tell me, briefly,
23 what relief you are seeking in this lawsuit, just
24 briefly?

25 A. What we're asking in the lawsuit, and

1 then there's an amendment to it, the main lawsuit
2 is that they follow the Peoples' Club constitution
3 as registered with the Nigerian government, which
4 is also attached. And the constitution said that
5 trustees will be not less than four, four trustees.
6 And each trustee will serve for five years, one
7 time -- two times. Each time is five years. But
8 the trustees we have, the living trustee we have
9 are two of them. Ezeokpoko and Desmond Ogougo.
10 And both of them have served for 35 years.

11 Q. Can you spell those?

12 A. Ezeokpoko is E-Z-E-O-K-P-O-K-O.
13 Desmond, D-E-S-M-O-N-D. Ogougo, O-G-O-U-G-O. That
14 these two trustees be removed because they have
15 served their two times of five years each and
16 they're still there for extra 25 years.

17 And we need four trustees to be a
18 functional group, because we need four trustees to
19 sign any document. And election be held. For the
20 last 15 years no election has been held. The
21 people appointing whoever they want. We can't do
22 business like that anymore. And what happens with
23 that, they appoint whoever they want.

24 Then they force the American members
25 to come to Nigeria and give them bribe which is a

1 violation of foreign practices act. And Americans,
2 when we go overseas, we must live by American
3 rules. And that's why we're suing them so that our
4 people going there will not be exposed to such
5 accusations.

6 So in suing them they went to court
7 and say that we are not even members of their club
8 because they're Peoples Club of Nigeria and we're
9 Peoples Club of Nigeria International. So the
10 judge looking at them ruled on it on July 8th, 2013
11 and said that these people suing you are patrons,
12 the highest rank in your club and they have local
13 standing. And three of four are myself, Gordon
14 Nbudizu, Dr. Fabion (ph) and Dr. Alaju (ph).

15 MR. SWYERS: If I may just interject as
16 we roll along here. I just want to put a standing
17 objection to hearsay and what the court ruled, to
18 the extent that there is no documents to support
19 that. And, moreover, to what the court said, that
20 would be hearsay. Thank you.

21 THE WITNESS: Okay.

22 BY MR. TAYLOR:

23 Q. Okay. Sir, thank you. You answered my
24 question, I think.

25 I want to turn your attention to,

1 within the document, page -- it's bearing Bates
2 stamp Petitioner 0324.

3 A. 0323.

4 Q. I'm sorry. 0323, okay. And can you
5 tell me what is this document or this page here?

6 A. This particular page is the certified
7 true copy of the incorporation.

8 Q. Okay. And are you referencing a stamp
9 on this document, is that what you're referring to?

10 A. Right. The stamp on it come from the
11 Corporate Affairs in Nigeria that does
12 incorporation.

13 Q. So to your knowledge, where is this
14 document maintained?

15 A. It's maintained at Corporate Affairs.

16 Q. And is this document on file?

17 A. On file at Corporate Affairs at Abuja,
18 the capital of Nigeria. So we went there and get a
19 certified true copy for the Court because our
20 charges is that the trustees are no longer four and
21 they're overstated. So they certified true copy
22 of, first of all, the name of the entity. It says
23 Peoples Club of Nigeria, which shows you the name
24 of the entity Nigeria on top, Peoples Club of
25 Nigeria. Not Peoples Club of Nigeria

1 International.

2 You see, the second, they give you the
3 list of all the trustees. And when you look at it,
4 all of them are dead, except two, and ou can see
5 that they were all registered over 35 years ago.

6 Q. Okay. When did you -- I'm sorry, I
7 don't mean to interrupt, but when did you obtain
8 this copy?

9 A. We obtain it -- the stamp showed when we
10 filed the lawsuit in 2013.

11 Q. Okay.

12 A. So we needed to certify true copy to
13 submit to the Court.

14 Q. And you were involved in the process of
15 actually retrieving this document?

16 A. I'm involve. I paid the lawyer to go
17 and get it.

18 Q. And can you tell me the individuals
19 identified there, which ones are deceased?

20 A. All right. The ones that are
21 deceased -- the first one is deceased. Second one
22 is deceased. Third one deceased. Fourth,
23 deceased. The last one is alive. Desmond Ogougo
24 is the last one. Let me see, Ezeokpoko.

25 Q. So I'm clear, you're going down the list

1 from top to bottom?

2 A. Okay. The first one is deceased. The
3 second one is alive.

4 Q. Okay. And you're going from top to
5 bottom down this list?

6 A. I am going from top. The first one is
7 deceased. The second one is Ezeokpoko. So
8 Ezeokpoko is nickname. Ezzdwa (ph) is his real
9 name. So that's him. The third one is dead.
10 Fourth one dead. Next one dead. Next one dead.
11 Next one dead. The last one is Desmond Ogougo is
12 alive. So those two are the living trustees.

13 Q. Thank you.

14 I want to turn your attention now to
15 the next page. Can you turn, for me, to the page
16 that starts Petitioner 0324. Do you recognize this
17 document here?

18 A. Yes.

19 Q. Can you tell me, what is this document?

20 A. This document is the certified true copy
21 of the constitution of Peoples Club of Nigeria.
22 The constitution that is registered with Nigerian
23 government, the Corporate Affair.

24 Q. To your knowledge, how many
25 constitutions for Peoples Club of Nigeria are

1 registered?

2 A. Only this one.

3 Q. Okay. And can you -- I am having a
4 tough time. Can you read to me what that says at
5 the bottom? It looks like it's a stamp of some
6 sort.

7 A. The stamp from the Corporate Affairs say
8 on top, it says, Corporate Affairs Commission
9 Certified True Copy. January 22nd, 2013.

10 Q. Okay. And is this copy of this
11 document -- was this -- strike that.

12 Were you responsible in retrieving
13 this document?

14 A. Yes.

15 Q. Okay. And what steps did you take to do
16 that?

17 A. I paid the lawyer to go to this
18 Corporate Affairs and get the certified true copy
19 because that's what the Court wants. And if you
20 look at the name -- the name there, it says Peoples
21 Club of Nigeria. It didn't say Peoples Club of
22 Nigeria International, which is their name.

23 Q. And just so I'm clear, this document and
24 the one we just referenced on Petitioners 0323, are
25 these true and accurate copies of the document as

1 you recall?

2 A. Yes.

3 Q. Okay. Can you tell me, to your
4 knowledge, what -- whether this constitution
5 applies to the PCNI organization operating in the
6 United States?

7 A. No. Because this constitution never
8 mentioned PCNI.

9 Q. So who does this constitution apply to?

10 A. To Peoples Club of Nigeria.

11 Q. Okay. And why was this document
12 attached to this lawsuit?

13 A. Because we sued Peoples Club of Nigeria.

14 Q. Okay. To your knowledge, does this
15 document say anything about the proper procedure
16 for expelling a member?

17 A. Right.

18 Q. It does?

19 A. It does.

20 Q. And can you just explain to me what that
21 procedure is?

22 A. Due process.

23 MR. SWYERS: Just objection on
24 foundation, given what he has just testified to,
25 but the witness can answer subject to my objection.

1 BY MR. TAYLOR:

2 Q. Okay. So, Mr. Ndubizu, you can go ahead
3 and answer that question.

4 A. Yes. There is a section here on due
5 process on members if there is a dispute among
6 members of branch, that the branch -- that dispute
7 resolution be set up and both side we had and --
8 and the matter be resolved.

9 MR. SWYERS: Can I ask, for the record's
10 clarity, for the witness to reference which page,
11 by Petitioner's Bates stamp, he is referencing?

12 THE WITNESS: I can -- I can see if I
13 can give you. If you look at this constitution, I
14 think the Section 18 talks about suspension of
15 members.

16 BY MR. TAYLOR:

17 Q. Okay. And what page are you
18 referencing, Mr. Ndubizu, on the bottom right-hand
19 corner?

20 A. Bottom it says 0337. And there may be
21 other sections, too, that I cannot pull out right
22 here. But once I look at the whole document, I can
23 give you the other section that I related to the
24 same suspension, expulsion. But this one just
25 jumped out in front of me.

1 MR. TAYLOR: Mr. Swyer's, I think if we
2 can just take a quick break.

3 MR. SWYERS: Okay.

4 (Whereupon, a short break was taken.)

5 BY MR. TAYLOR:

6 Q. All right. Now, I have what's been
7 premarked as PP-5. And I am going to hand that to
8 Mr. Ndubizu now. Here you go. I handed the
9 witness the document and this document has been
10 premarked PP-5 and it bears Bates stamp Petitioners
11 0258. And, Mr. Ndubizu, I've handed you a document
12 marked as PP-5. Do you recognize this document?

13 A. Yes.

14 Q. And what is this document?

15 A. This is a letter from -- appointing me
16 the agent, permanent agent of Peoples Club of
17 Nigeria International, Incorporated in New Jersey.

18 Q. Okay. And when is this letter dated?

19 A. This was in September 25, 2012.

20 Q. Okay. And do you believe this to be a
21 true and accurate copy of this document?

22 A. Yes. This is true and accurate.

23 Q. Okay.

24 MR. SWYERS: Pending a proffer, I'm
25 going to reserve the right, at this juncture, then,

1 to potentially strike any and all testimony that
2 has been given here today, based upon a conflict of
3 interest. Pending a proffer as to actually what
4 permanent agent means and whether or not the
5 witness is now being proffered as both a witness
6 for one of the petitioners, but then, also,
7 allegedly, the registrant, as well.

8 MR. TAYLOR: Okay. So I think at the
9 outset of this testimony we made clear our
10 understanding that Mr. Ndubizu is here to testify
11 as an individual and as a fact witness with
12 information related to the PCNI Princeton Junction
13 branch. We have not identified him as an
14 individual that is, otherwise, acting on behalf of
15 the registrant in this case. So I don't know if
16 you want to follow up with that at some point, you
17 know, after today, I suspect that you might. But I
18 just want to make that clear, that at the outset of
19 this matter we did make that proffer.

20 MR. SWYERS: I understand. I just think
21 that by going through and allowing the witness to
22 now testify, per this letter, that he is the,
23 quote, unquote, permanent agent of the Peoples Club
24 of Nigeria International, Incorporated in the State
25 of New Jersey USA, which I believe, and please

1 correct me if I'm wrong, you are going to contend
2 in your trial brief or, otherwise, is the
3 registrant of this mark. He is about to, in
4 essence, offer testimony as to both. That is
5 correct; right?

6 MR. TAYLOR: I don't believe that is
7 correct, no. I think that the issues that are in
8 dispute in this controversy are the application
9 that was made with the US PTO related to the
10 trademark that was eventually issued. And I
11 believe that Mr. Ndubizu will testify that he had
12 no involvement with the filing of that trademark
13 application on behalf of the registrant.

14 MR. SWYERS: Why don't we do this, why
15 don't I reserve my objection for now, and I also
16 thank you for refreshing my recollection that your
17 firm has not taken a representative capacity for
18 this individual witness. He is merely here as a
19 fact witness first. Why don't I reserve my
20 objection for now, pending how he defines permanent
21 agent. I assume you're going to ask him in the
22 context of this letter. Fair?

23 MR. TAYLOR: Certainly.

24 BY MR. TAYLOR:

25 Q. Mr. Ndubizu, what are your

1 responsibilities as a permanent agent of PCNI in
2 and around 2012?

3 A. Well, in 2012, when this started, the
4 Peoples Club have a lawsuit and I have to get them
5 a lawyer. So I arrange the law firm of Dan Martin
6 and the law firm of Emmanuel Ahia.

7 Q. Can you spell that?

8 A. Dan Martin is D-A-N, Dan, Martin,
9 M-A-R-T-I-N. That's one law firm. The second one
10 is Emmanuel Ahia, A-H-I-A. These two law firms I
11 arrange, met with the President Onwuachu and his
12 group. And they both represented them in New York
13 and I also attended the subsequent court hearing on
14 their behalf. And then they ask Iddi Mgbako, who I
15 believe was a temporary agent who did incorporation
16 for them, to send me all the necessary -- all the
17 documents that he has, which includes the
18 incorporation, includes the tax ID, it includes the
19 bank statement, it includes the actual handwritten
20 application for incorporation. It includes the
21 original search from a law firm of Clover and
22 Jackson in 2010 and this search that they did.

23 And it includes -- what else -- so all
24 those documents that I have never seen before were
25 then sent to me from Dr. Mgbako on -- on the

1 direction of Chief Onwuachu, the president. He
2 asked them to send that to me, that I'm now the
3 permanent agent. So Mgbako send me all those
4 documents. So he knew and I went to court in New
5 York to represent them. And when I got to court,
6 the judge said that the dispute --

7 MR. SWYERS: Objection as to hearsay,
8 once again.

9 THE WITNESS: The judge said that the
10 dispute among members is cry out for settlement.
11 That he didn't have a professor among them, that
12 unless you get them to try to work it out. And I
13 happen to be a professor. So at the end of the
14 court I call the two group and said, give me your
15 telephone number, I'll call you. So I did call
16 them, engaged them for a number of months and we
17 came up with agreement. And I took the agreement,
18 as the agent, to Nigeria, the annual general
19 meeting of Peoples Club in December, presented it
20 and they all were happy and accepted it. It was
21 read at the --

22 MR. SWYERS: Once again, if I may just
23 interject, I'm going to object on hearsay and also
24 I'm going to object, on multiple counts, that none
25 of this was produced in discovery. If he wants to

1 continue the forum with this story, that's fine.

2 But, again, from the New York lawsuit
3 to taking this to Nigeria, these were the relevant
4 things that we asked for discovery, to the extent
5 that it's accurate or should have been, otherwise,
6 produced.

7 So two parts, hearsay, we can't
8 testify to what other people are saying. Secondly,
9 none of this was produced in discovery, despite it
10 being asked for. Subject to that, if he wants to
11 continue to tell the story, subject to objection,
12 that's fine.

13 MR. TAYLOR: That's fine. We are going
14 to move on. I just have one last question here.

15 BY MR. TAYLOR:

16 Q. Mr. Ndubizu, did you have any knowledge
17 or involvement in processing the registrant's
18 trademark application in 2013?

19 A. No. The only thing I did was, they
20 asked me to find out from Mgbako what was the
21 result of the 2010. So I called Dr. Mgbako and
22 said, What was the outcome of the 2010 registration
23 for trademark? He told me that I should expect
24 the certificate any time. And once he gets it, he
25 will forward it to me as the new agent and I never

1 got it.

2 Q. Okay. So did you have any involvement
3 in the preparation of the trademark application
4 that is subject to this lawsuit?

5 A. No.

6 MR. TAYLOR: Okay. I think for now,
7 Matt, I think that's the only questions that we
8 have, so if you want to go ahead.

9 BY MR. SWYERS:

10 Q. Okay. Just jumping right -- both feet
11 first. So Counsel didn't really ask you what, in
12 your impression, does permanent agent mean for this
13 PCNI incorporated in the State of New Jersey? Is
14 that a registered agent or something more?

15 A. Well, the word "permanent" means in
16 contrast to the temporary one they had.

17 Q. Do you know what a registered agent is
18 for the state?

19 A. My understanding of registered agent is
20 somebody who is acting, who is representing the
21 entity and receive information on the behalf of the
22 entity, information from the state, information --
23 represent them in anything involving US that they
24 don't know about, that they want me to represent
25 them, like, go to court, find them lawyer, things

1 that I have done for them. If -- whatever they ask
2 me, file all the papers, things like that.
3 Whatever they asked me to do and I advise them all,
4 too. I have been chairman of so many board of
5 trustees.

6 Q. Okay. Your definition of registered
7 agent is a little bit broader than what we have
8 here before the secretaries of state of the 50
9 United States. Registered agent, from my
10 understanding, is, in essence, empowers you to
11 receive documents on behalf of the company, but
12 then pass it on to the officers of the company and
13 things of that nature. You're not empowered to run
14 the actual company.

15 So within the context of that, are you
16 more empowered, are you testifying today, to run
17 Peoples Club of Nigeria International,
18 Incorporated, State of New Jersey or are you simply
19 someone who's supposed to receive documents and
20 pass it on to the membership hierarchy?

21 A. Well, I'm just registered agent. The
22 word "registered agent" is what I am.

23 Q. Okay. So you contend that you're the
24 registered agent for Peoples Club of Nigeria,
25 Incorporated, the registrant in this case?

1 A. Yes.

2 Q. Okay. You do not contend that you are
3 an officer for that; is that correct?

4 A. I am not -- I am here as registered
5 agent. That doesn't preclude me from being an
6 officer, but I'm saying --

7 Q. Well, are you an officer? I'm asking
8 you very directly. Are you an officer?

9 A. I can't -- I can't answer that because
10 we have not really -- that whole thing about
11 officers is -- is, how do I describe it, is my
12 description -- I'm looking for appropriate word,
13 which is something --

14 MR. TAYLOR: I'm going to object. The
15 definition, I am not sure the witness understands
16 what you mean by "officer." Can you maybe provide
17 a little bit of clarity on that?

18 MR. SWYERS: Of course. I'll be happy
19 to.

20 BY MR. SWYERS:

21 Q. I'm trying to find out, both for myself
22 and for the board, who later will read this
23 transcript, exactly what role you have for -- or
24 claiming to have for what amounts to my client.
25 And, you know, so we were provided with documents

1 that showed that you were the registered agent and
2 it seems that you're trying to say that you're
3 something more than the registered agent here, that
4 you're actually the person that runs the company.
5 So I'll just say that as broadly as possible and
6 then we can keep stepping it back. Are you the
7 person that runs the company now?

8 A. Right now -- right now, I am not
9 claiming to run the company. I'm saying that I'm
10 the registered agent.

11 Q. Okay. And the registered agent who is
12 charged with, you know, receiving documents on
13 behalf of the company but nothing more?

14 A. Nothing more. And remember that I also
15 am a patron of the club. I'm also --

16 Q. Which club?

17 A. Peoples Club of Nigeria International.

18 Q. International Incorporated or Princeton
19 Junction?

20 A. Peoples Club of Nigeria. I'm a patron
21 of Peoples Club of Nigeria and Peoples Club of
22 Nigeria International.

23 Q. Which one?

24 A. All of them.

25 Q. There's about 22 of them?

1 A. All of them I'm a patron of.

2 Q. All right. Very simple question. Are
3 you a patron of Peoples Club of Nigeria
4 International, Princeton Junction?

5 A. Yes.

6 Q. Are you a patron of Peoples Club of
7 Nigeria, as you defined it, in Nigeria?

8 A. Yes.

9 Q. Okay. Are you a patron of Peoples Club
10 of Nigeria International, Incorporated in the State
11 of New Jersey?

12 A. Yes.

13 Q. How so?

14 A. Because I'm a worldwide patron of the
15 club.

16 Q. Which club? Please tell us which one.

17 A. Peoples Club of Nigeria.

18 Q. Very well. So it's your belief that,
19 as you've defined it at the onset of this
20 deposition, Peoples Club of Nigeria -- when you
21 say "Peoples Club of Nigeria" and you,
22 specifically, are excluding the term
23 "International," so when you simply say Peoples
24 Club of Nigeria, your testimony is that because you
25 are a patron of the Nigerian Peoples Club of

1 Nigeria, you're a patron of all associated and
2 affiliated clubs?

3 A. Right.

4 Q. Thank you. I was just trying to clarify
5 that.

6 All right. So you are the registered
7 agent for Peoples Club of Nigeria International,
8 Incorporated, in the State of New Jersey, but
9 nothing more?

10 A. Right.

11 Q. Correct; okay.

12 Now, you testified earlier that, and
13 forgive me, I want to make sure that I get your
14 words properly. Peoples Club of Nigeria
15 International and Peoples Club of Nigeria have,
16 what you called an alliance. Do you recall saying
17 that?

18 A. Yes.

19 Q. Okay. But it's a little bit more than
20 an alliance, isn't it?

21 A. Well, I'm -- depends on how somebody
22 else wants to describe it.

23 Q. Well, there's actually a formal
24 committee that actually governs all of the
25 chapters, both in Nigeria and in the United States;

1 isn't that correct?

2 A. Central Executive Committee.

3 Q. Yes?

4 A. Yes.

5 Q. Correct?

6 A. Yes.

7 Q. Okay. And you would agree with me, you
8 previously testified that there were, you believe,
9 around 20 branches here in the US; correct?

10 A. Right.

11 Q. Do you know how many branches there are
12 in Nigeria?

13 A. Well, in Nigeria, you can say they may
14 have around, maybe, 20 -- another 22, but then when
15 you go into those 22, it may well be they only have
16 ten branches that are real branches because many of
17 their branches doesn't really exist. There is no
18 branch anymore. People don't come to meetings,
19 they don't have chairmen, they never hold any
20 meetings in the last five years, ten years.

21 Q. Thank you. And I appreciate that
22 annotation. You know, just I'm trying to, sort of,
23 understand the structure and for my benefit and for
24 the board's benefit. So the structure, you'll
25 agree with me, is, the Central Executive Committee

1 is comprised of the, I guess, the chairpersons of
2 these, you know, roughly 20 US branches, 22
3 Nigerian branches and I believe you previously
4 testified there's a London and Canadian branch; is
5 that also correct?

6 A. Right.

7 Q. So if my addition is roughly correct, we
8 have about 44 branches, give or take, you know,
9 different areas of involvement, that comprise the
10 Central Executive Committee; correct?

11 A. Well, they're part of it, but then we
12 have a -- we have elected -- we have elected
13 central officers, like, president, vice, legal
14 advisor, treasurer assistant, financial secretary
15 assistant, house master global, all those centrally
16 elected officers, I don't know how many there will
17 be, but, approximately, maybe another 15 or 20. If
18 you add it on top of that 44, then you have all the
19 patrons. All the patrons are also members of this.
20 So we have about 20, 30 patrons added on that, so
21 you're talking about a large number of people.

22 Q. Fair enough.

23 But the Central Executive Committee
24 generally is the management structure through which
25 PCNI, that's the US one, and PCN, that's the

1 Nigerian, operate as this, as you termed it,
2 alliance; correct?

3 A. Well, our relationship with them is
4 alliance in this sense because the US branches, and
5 I will say maybe most of the overseas, but let me
6 speak on US branches that I know very well. US
7 branches, they all have separate incorporation as a
8 separate entity. That's what incorporation means.
9 In Nigeria all the 22 branches have one
10 incorporation. So they're under one umbrella.

11 So you can -- that one umbrella can
12 control them. They can now say you're no longer a
13 part of this umbrella, throw them out. In US you
14 couldn't do that because these are all separate
15 entity. And we accommodate the structure dealing
16 with US because each branch is autonomous. And
17 that's really what makes that an important feature
18 of the club that makes it unique.

19 Q. So each branch is autonomous --

20 A. Yeah.

21 Q. Let me speak, please. Thank you.

22 So each branch is autonomous, so there
23 is no management structure, is that what you're
24 telling me?

25 A. Autonomous means each branch, basically,

1 do their own thing different from the other
2 branches. But there is common areas where we get
3 it together. And that common area should be
4 controlled by the constitution that we all agree.
5 And if this constitution that has been aware and we
6 have hypocrisy forcing people if you don't do this,
7 you are thrown out, that we are putting the lawsuit
8 --

9 Q. If I may, and just as a reminder and I
10 know that we're getting through some tough stuff.
11 But let's try, both of us, to, you know, take
12 breaks so we can, you know, interject and have a
13 nice conversation back and forth. And also we
14 don't want the nice court reporter to have to say
15 bad things to us that remind us she can only take
16 down one of us at a time. Okay.

17 So you're speaking, and this is where
18 I'm getting a little bit confused, on one hand
19 you're trying to say it's completely autonomous but
20 on the other hand you're sort of referencing the
21 fact that, well, it's not completely autonomous
22 because we've had to sue them because they are
23 violating the constitution under which we're
24 supposed to be governed. So is it autonomous or is
25 it that you all do have a set of rules and you guys

1 just are upset that the rules weren't being applied
2 the way you thought they should be applied?

3 A. Let me repeat myself again. I say that
4 there is common areas where we all operate. And
5 that common area that clearly is defined by our
6 constitution. Then --

7 Q. Let's stop right there for a second.

8 A. Okay.

9 Q. So now that we agree, at least, that
10 there's common areas under which you operate, can
11 we come all the way back to the original concept,
12 which I wanted to talk to you about, which is those
13 common areas are governed by the -- if you want to
14 say the constitution, but also the Central
15 Executive Committee. Wouldn't you agree with me in
16 that regard?

17 A. Well, the Central Executive Committee
18 has to follow the constitution. They cannot say --
19 do what they want. They have to follow the
20 constitution.

21 Q. Let's put the constitution -- I
22 understand everything you want to talk about today
23 is the constitution because we understand that you
24 clearly are involved in the lawsuit that's ongoing
25 in Nigeria about the constitution. But I just want

1 to talk to you about how things are supposed to be
2 run and you keep --

3 A. Well, as American citizen, I love the
4 country because of the constitution. You can see
5 that -- I can't go to anyplace and be part of any
6 club where it will not follow the constitution.
7 It's amazing that the significance of the
8 constitution and everyone complying with it. To
9 me, that is unbelievable --

10 Q. One second. Hold on. You're not even
11 answering my questions.

12 A. Okay.

13 Q. So what I want to know from you is,
14 then, assuming that everyone follows the
15 constitution that you are so vehement about talking
16 about, okay, there is a Central Executive Committee
17 that gets together and makes votes and makes
18 decision for PCNI and PCN; correct?

19 A. Right. Okay.

20 Q. Thank you. That's all I was trying to
21 get to. Thank you so much.

22 A. Okay.

23 Q. Now, you testified that you were one of
24 the founding members, I believe, of Princeton
25 Junction branch; correct?

1 A. Princeton branch.

2 Q. Princeton branch; excuse me.

3 A. And, also, Princeton Junction.

4 Q. And then later Princeton Junction?

5 A. Right.

6 Q. And then you also testified about when
7 Chicago and Miami received their branches. Do you
8 remember that?

9 A. Yes.

10 Q. Okay. Now, at the time, you all
11 began -- there are different times, but at the time
12 you all began, the trademark that we're talking
13 about here, today, was already in existence, you
14 would agree with me; right?

15 A. Well, the Nigerian group, their name --

16 Q. Let me ask you a different way: Did you
17 create the trademark that we're talking about,
18 here, today?

19 A. Yes. The American group created the
20 name, PCNI.

21 Q. You, actually, physically, drew this
22 trademark on a piece of paper and said, here's the
23 trademark?

24 A. They -- they -- we, the American group,
25 created it.

1 Q. Now, I haven't heard about the American
2 group yet. Who's this new American group?

3 A. Well, the PCNI is the American group.
4 The Nigerian group is Peoples Club of Nigeria.

5 Q. No, but your group that you're here to
6 testify today for is the Princeton Junction Club,
7 is the Miami Club and the Chicago Club, and that's
8 it. So my question is, and now you're adding in
9 this, well, all the Americans figured this out or
10 the American group. Well, who is the American
11 group? It's one of those three.

12 A. Well, maybe -- let me put my knowledge
13 back that I'm one of the pioneers that create this
14 whole branch, the American. All these branches,
15 half of them, half of them came from Princeton and
16 I'm the one who recruited all the people who
17 created -- I'm the one who recruited a guy who
18 created Philadelphia, who created Canadian branch,
19 who created Cherry Hill branch, who created New
20 York branch, who created -- the people that I
21 recruited created almost more than 30, 40 branches
22 in America.

23 Q. You're not here today for them. You're
24 here today for Princeton Junction --

25 A. So all I'm saying is -- I'm saying --

1 MR. TAYLOR: I'm going to object to that
2 characterization.

3 THE WITNESS: I'm saying that I have
4 knowledge.

5 MR. SWYERS: Hold on. Let's take a
6 break. We're on the record, but let's take a
7 break. Matt, can you just help us out to make sure
8 that we both try not to speak over each other so
9 the court reporter can get all this down.

10 MR. TAYLOR: Of course, yeah. Mr.
11 Swyers needs to make sure that he can complete his
12 question. And make sure you're answering just the
13 question that he's asking.

14 THE WITNESS: Okay.

15 MR. TAYLOR: I just want to -- maybe you
16 can repeat, I think you said to Mr. Ndubizu that he
17 was here today to testify on behalf of PCNI
18 Princeton Junction. I state my objection to that
19 for the reasons that we discussed before, but go
20 ahead. I'm sorry.

21 THE WITNESS: My reaction to that is
22 that --

23 MR. TAYLOR: Let Mr. Swyers ask a
24 question.

25 MR. SWYERS: Yeah, there's no question

1 pending. Thank you. I appreciate that.

2 BY MR. SWYERS:

3 Q. So very simple, and I will try to do
4 this and I mean this in no sarcastic manner,
5 whatsoever, but I want to take this back to baby
6 steps. So did anyone in the Peoples Club of
7 Nigeria International Princeton Junction branch
8 create the logo that my client has registered as a
9 trademark?

10 A. We created the logo. Princeton Junction
11 created the logo they are using in their letterhead
12 and all their -- all their brochure.

13 Q. Princeton Junction, your testimony is
14 that Princeton Junction created the logo that my
15 client applied for as a trademark?

16 A. The logo --

17 Q. I just want to make sure I heard that
18 clearly.

19 A. Let me describe what I'm telling you so
20 that we're not -- you don't misunderstand me. I'm
21 telling you that every branch creates their logo on
22 their letterhead and the brochure invitation, put
23 whatever sign they want, whatever color they want,
24 whatever way they want to do it. Every branch have
25 done that. And that's what has been going on and

1 we have been using this since 19 -- even before
2 '94. I got involved since '94.

3 Q. You'll agree with me that the logo
4 existed prior to Princeton Junction branch
5 existing; correct?

6 A. I don't know that.

7 Q. And so the logo -- it's your testimony
8 today that Princeton Junction actually created the
9 logo that my client applied for?

10 A. My testimony is that the logo was not
11 registered anywhere in Nigeria or in US.

12 Q. That's not my question.

13 MR. SWYERS: Counselor, can you instruct
14 the witness to answer my question?

15 MR. TAYLOR: Yes. Mr. Ndubizu, his
16 question is, did you, physically, create the logo
17 as in the way that it appears with the words and
18 with the rings, did you actually create that?

19 THE WITNESS: Different people created
20 our logo. Different people.

21 MR. SWYERS: The answer is no. He just
22 won't state it. Is he going to answer the question
23 or not? I can go and get an order from the Court
24 to make him answer my question.

25 MR. TAYLOR: So the answer, then, to

1 that question is, you did not create the logo,
2 would you agree?

3 THE WITNESS: What exactly does he mean
4 by creating the logo? Because I tell him that when
5 we prepare our invitation, our letterhead, we
6 created the logo there.

7 MR. TAYLOR: Okay. What year was that?

8 BY MR. SWYERS:

9 Q. I'm not speaking about copying a logo
10 that is already in existence. That's like saying,
11 well, yes, the Coca Cola logo that's in my hand
12 right now, I created it because I made a photocopy
13 of it when I made my new letterhead. What I'm
14 simply saying is, in reference to my Coca Cola
15 analogy, were you the ones that first came up with
16 the Coca Cola logo? And in your instance, were you
17 the ones that first came up with and created the
18 trademark that my client owns and applied for and
19 registered?

20 A. Okay. If I tell you it was copy, then I
21 will tell you where it was copied from. I don't
22 know where anyone copied it from. That's why I
23 cannot answer you and tell you it was copied from,
24 when I don't know where it was copied from.

25 Q. So can we finally agree you did not

1 create it?

2 A. I made up -- when I was chairman I made
3 up the logo that was on my letterhead. And I don't
4 know where it was copied from. I made up the logo
5 and the name on my letterhead. I made them up with
6 different color.

7 Q. You made new letterhead using an
8 existing logo; correct?

9 A. Logo from where?

10 Q. That's the question. And so the
11 question remains, you didn't create the logo;
12 correct?

13 A. That question, I will tell you that
14 we --

15 Q. You used the logo?

16 A. We made the logo --

17 Q. You used the logo to create new
18 letterhead, but you didn't create the logo itself;
19 correct?

20 A. The logo, at the minimum, is a common
21 good. People make it up.

22 Q. That's still not my question. My
23 question is, did you, or anyone at Princeton
24 Junction, create the logo? And I will suggest to
25 you the answer is, no. I understand you don't want

1 to say that.

2 A. Because it's common good. It's a common
3 good.

4 MR. TAYLOR: The question is not is it a
5 common good. The question is, did you create it?

6 THE WITNESS: Am I the creator?

7 MR. TAYLOR: Yes.

8 THE WITNESS: Oh, no, I'm not the
9 creator.

10 MR. TAYLOR: Okay. That's the question.

11 MR. SWYERS: Thank you, Counselor. I
12 appreciate it.

13 THE WITNESS: Okay.

14 BY MR. SWYERS:

15 Q. What's the status of the lawsuit in
16 Nigeria right now?

17 A. Well, the status is that it's in court
18 of appeal.

19 Q. Okay. So it's ongoing?

20 A. It's ongoing.

21 Q. Okay. Thank you.

22 Have you ever been to Houston?

23 MR. TAYLOR: I'm sorry. Can you repeat
24 the question?

25 BY MR. SWYERS:

1 Q. Have you ever been to Houston?

2 A. Myself?

3 Q. Yes.

4 A. Yes.

5 Q. When?

6 A. I don't remember exact time I was there,
7 but I know I have been to Houston.

8 Q. Okay. But you can't remember when. Why
9 were you there?

10 A. I've been to Houston. My brother lives
11 there and my sister lives there and I have been
12 there for Peoples Club event.

13 Q. Okay. What event was that?

14 A. I think there was a meeting and there
15 was induction by the Houston branch.

16 Q. Okay. It's your testimony today that
17 you are the registered agent for the Peoples Club
18 of Nigeria International, Inc., my client, who owns
19 the registered trademark currently.

20 A. I am the registered agent for PCN
21 Incorporated in New Jersey.

22 Q. Is it your opinion that that is one in
23 the same with the person who -- excuse me, the
24 entity who registered or owns the registration for
25 the trademark?

1 A. I believe so.

2 Q. And you're here today as a witness, both
3 based upon your factual knowledge of PCNI and PCN,
4 but then, also, specifically for your knowledge for
5 Princeton Junction, and then in your capacity as
6 the registered agent for my client; correct?

7 A. I'm here as --

8 MR. TAYLOR: One second. I am just
9 going to object based on the discussion that we had
10 previously on the record regarding the scope of Mr.
11 Ndubizu's appearance today. Understand, he is
12 going to answer now, though, but I'm going to put
13 that objection on the record.

14 BY MR. SWYERS:

15 Q. Thank you. And so your counsel said you
16 can answer. I believe the answer is yes; correct?

17 A. I am here as a witness.

18 Q. Okay. So let's assume for the sake of
19 this argument that you are the registered agent.
20 Would you ever take actions that are detrimental to
21 the company?

22 A. I think this is hypothetical.

23 Q. It is.

24 A. Yeah.

25 Q. So would you take -- as a registered

1 agent, are you allowed to take actions that are
2 detrimental to the company?

3 A. I don't want to speculate.

4 Q. Well, let me ask you then, personally.
5 Would you ever take actions that are detrimental
6 to the company for which you are a registered
7 agent, no speculation involved?

8 A. So there's no speculation here I -- as
9 an agent, I will perform my role as an agent, which
10 is, as you well articulated earlier, that agent
11 receive papers and do what agent does.

12 Q. Fair enough.

13 And so if you were to receive, you
14 know, just what, you know, typical registered agent
15 stuff, a lawsuit, someone suing the entity, as a
16 registered agent you wouldn't just throw it in the
17 trash, you would give it to whoever you would give
18 it to, to make sure that they received notice of
19 the lawsuit; right?

20 A. Right.

21 Q. Okay. Because throwing in the trash
22 would be detrimental to the company because they
23 could default on the lawsuit; right?

24 A. Right.

25 Q. Okay. And so I think we can establish

1 that you probably would not take actions if you
2 were the registered agent for the company, that
3 would be detrimental to the company, fair; correct?

4 A. Fair.

5 Q. Okay. So why are you trying to cancel
6 the company's property from a registration as
7 opposed to trying to secure the registration
8 through other means?

9 MR. TAYLOR: I'm going to object to that
10 question. Again, the way it characterizes Mr.
11 Ndubizu taking -- it suggests that Mr. Ndubizu is a
12 party to this action and he is not a party to this
13 action. He is not named in an individual capacity
14 in the pending proceeding.

15 BY MR. SWYERS:

16 Q. We'll go back in discovery and find out
17 exactly how he was named. But I guess the question
18 would be, is, then and I can amend the question.
19 Does it make sense to you that someone should be
20 trying to cancel actual property rights? Why would
21 you want -- well, I guess let me go back. Ignore
22 that first part, because it was very rambling and I
23 don't even know where I was going with it?

24 Do you think the trademark
25 registration should be cancelled?

1 A. Can I answer you differently for --

2 MR. TAYLOR: Just answer the question.

3 THE WITNESS: Well, I think it should be
4 cancelled because it does not --

5 BY MR. SWYERS:

6 Q. You purport to be the registered agent
7 for my client and you believe that the trademark
8 registration should be cancelled, based upon what
9 you just said?

10 A. Yes.

11 Q. That for the entity that you purportedly
12 are the registered agent; correct?

13 A. Yes.

14 Q. Is that not taking action that's
15 detrimental to the company that you are the
16 registered agent for?

17 A. No. It's actually the other way around
18 because for social organization value is created
19 when there is unity and value is destroyed when
20 there is disunity and this patent is dividing the
21 club into Progressive and Pentagon, which is now
22 destroyed the value. When you remove it and the
23 two group comes together, value of the entity goes
24 up. Unlike a profit corporation, when profit
25 increase value and losses decrease value for social

1 nonprofit corporation. Unity create what? Value.
2 Disunity destroys value. Disunity is like losses.
3 So what is happening here is losses.

4 Q. If you are the registered agent for the
5 company, if a lawsuit comes in who do you give the
6 lawsuit to?

7 A. Lawsuit I give it to executive.

8 Q. Who is executive of the company?

9 A. Sam Iwuchukwu.

10 Q. Is it your testimony that the chief is
11 the executive officer for the company?

12 A. He is the president of Peoples Club.

13 Q. Well, once again, so I -- so the record
14 is clear, when you say "Peoples Club," are you
15 talking about Peoples Club of Nigeria in Nigeria or
16 are we talking about the officer, here, for the New
17 Jersey entity we've been talking about, Peoples
18 Club of Nigeria International, Inc.?

19 A. He's the one Peoples Club of Nigeria,
20 Inc. and Peoples Club of Nigeria PCNI. President
21 don't want to hand it over to him through election
22 and President Omus (ph) was the one who created
23 Peoples Club of Nigeria, Inc. in New Jersey and he
24 handed over to -- they did election and Chief Sam
25 Iwuchukwu won the election and is now handed over

1 to him.

2 Q. Okay. So under your philosophy, under
3 your theory, chief is -- runs or is responsible for
4 -- or is the entity for the client that I
5 represent?

6 A. Chief Fabion Owachu (ph) is the one that
7 created the Peoples Club of Nigeria incorporated in
8 New Jersey. He is the one who brought the money to
9 Sam Iwuchukwu. Sam Iwuchukwu give your client the
10 money to create it.

11 Q. Well, he gave the money to Dr. Mgbako.

12 A. Right.

13 Q. Who testified previously in this that
14 Dr. Mgbako, you'll agree, was charged with actually
15 creating the entity; correct?

16 A. Who charged him? They gave him the
17 money to do it.

18 Q. Well, he was told to do it; right?

19 A. It was Owachu -- Chief Owachu and Fabion
20 ask Sam Iwuchukwu to give him the money to do it.
21 And I was there when the money -- Sam Iwuchukwu
22 came and give the money in my hotel room.

23 Q. So you were there when the person that
24 you believe is the responsible person for the
25 entity who's my client, told Dr. Mgbako to organize

1 the entity in New Jersey?

2 A. When they gave him the money and when
3 they went to open the bank account, yes, I was
4 there.

5 Q. Where was this?

6 A. In the Hilton. Hilton, New Brunswick.

7 Q. Okay. In New Brunswick. And what year
8 was this?

9 A. Oh, that was the open up an account.
10 Gave the money in the Hilton. This money was given
11 to him before then, I think. But it was the same
12 time Iwuchukwu gave him the money.

13 MR. TAYLOR: What year?

14 THE WITNESS: The year Sam gave the
15 money, I don't know, but it should be on the
16 receipt. I think we have the receipt. The
17 document speaks for itself. I don't know. We can
18 look at the receipt and see. And Mgbako signed for
19 it. There isn't a disagreement that he received
20 the money. He's merely a messenger.

21 BY MR. SWYERS:

22 Q. So it's your testimony that -- now, that
23 Dr. Mgbako was authorized by the chief to form this
24 entity but that subsequent to that, you became the
25 registered agent for the entity that I represent?

1 A. Yes.

2 Q. Is that correct?

3 A. Right.

4 Q. Okay. Just so you know, part of this is
5 cross-examination. Part of this is -- this is the
6 most confusing thing I have dealt with in 19 years
7 of practicing law so I'm trying to get it right
8 myself.

9 A. Okay.

10 Q. So we can agree that Dr. Mgbako was
11 charged with creating this entity or organizing
12 this entity; correct?

13 A. Right.

14 Q. Okay. What was the purpose of the
15 entity? Why would you organize something?

16 A. Well, the entity -- there were -- when
17 we -- because the American branch, essentially, was
18 financing the Nigeria branch because Nigeria, you
19 know the economy there, cannot compare with US.
20 Most of the members here are well-to-do. If you
21 look, they all have Ph.D. So they have money to
22 help the one in Nigeria. So when they collect all
23 this money, they try how to get the money to
24 Nigeria. We advise them that it's best to open an
25 entity, create an account here and then wire

1 transfer. Now there's international wire transfer.
2 You can wire transfer from the account here to the
3 account in Nigeria. They have dollar accounts in
4 Nigeria. So why are they trying to carry currency
5 because they will be involved in currency
6 violation. There is a strict US currency violation
7 and we don't want them to get involved in that.

8 Q. We don't want to go too much into
9 anything that goes beyond trademark law here.

10 A. Okay. So I am telling you that that is
11 the -- that is the reason why this incorporation
12 was done. And immediately was done. Then they
13 wouldn't have open the account.

14 Q. Well, you previously -- but you also
15 previously testified that Dr. Mgbako, through the
16 corporation, was supposed to apply for the
17 trademark. Do you remember talking about that?

18 A. Right. There is all the reasons. But I
19 am telling you that this was the important at that
20 time. And that's why he did it and open an
21 account. The account of which your client took all
22 the money.

23 Q. Okay. Let's go back to the trademark
24 thing now. So we've established that, based upon
25 your testimony, Dr. Mgbako organized the entity,

1 which is my client, with the authority of who you
2 said had the authority to do so. So we have done
3 that. You've previously testified that Dr. Mgbako
4 was supposed to get the trademark done as well --
5 excuse me, filed for. That's correct; right?

6 A. It was asked in 2010 of which he had the
7 law firm to do. And then when they -- when they
8 appointed me agent and he was told that I'm now the
9 agent, to send me all the documentation. So there
10 is no surprise that I'm an agent. He knew that.
11 He's the one who send me the incorporation. I
12 didn't know. I didn't --

13 Q. Let's stop right there. You were the
14 registered agent and you've already testified that
15 you were the registered agent for the State of New
16 Jersey and that's all that this document meant,
17 here, that we're looking at today. It doesn't mean
18 you run the company. We've already established
19 that that's the gentleman, the chief, that, in
20 essence, told Dr. Mgbako to organize the entity.
21 And, then, you've now testified, is still the
22 actual person who, basically, is, you know, in your
23 mind, in charge of this.

24 A. Well, well let me --

25 MR. TAYLOR: Let him ask the question.

1 BY MR. SWYERS:

2 Q. So let me just -- I'm going to
3 completely skip over something and go to a
4 completely different place, if you don't mind.

5 How many chapters make up this
6 Pentagon group that you're referencing?

7 A. The Pentagon group is -- it could be any
8 branch that have members that believe in the other
9 group. That believe in --

10 Q. It could be, but who actually makes them
11 up? Be very specific.

12 A. First off, in Houston branch, Houston is
13 divided. There is at least 20 percent of Houston
14 branch that have loyalty to the Pentagon. And then
15 you have 80 percent that is Progressive. In
16 Washington you have 90 percent that is Progressive
17 and five percent that is Pentagon. In Princeton
18 Junction you have hundred percent that is
19 Progressive. In Chicago, hundred percent that is
20 Progressive. Miami, hundred percent is
21 Progressive. That's why you hear dissolution for
22 those ones. That where they could not give you one
23 percent, you see dissolution. Where they can get
24 some percentage they leave them. So in San
25 Francisco they do have at least another five

1 percent that is Pentagon and 95 percent that is
2 Progressive. So that's how you go. In New York,
3 you may have 50/50.

4 Q. But you, specifically -- okay. So the
5 Pentagon group, when you testified earlier today,
6 to just clarify what you said, it's not
7 necessarily, you know, a group of entire branches,
8 like each branch is, okay, a hundred percent of
9 this branch is now what we call the Pentagon group
10 and then a hundred percent of you guys are, you
11 know, the Progressive groups. It's more complex
12 than that. It's each branch, maybe 20 percent goes
13 there, 40 percent goes to the other one, whatever,
14 something like that?

15 A. Right. Because look at the elector.
16 The elector they wrote, they say they're appointing
17 the committee.

18 So if you go to branch and you select
19 four people and you say they are now in charge,
20 those four you appointed say, oh, we're in charge
21 of this branch while the actual executive of that
22 branch will ignore them and keep on running the
23 branch. So those people they call executive
24 committee will be saying, oh, we're executive
25 committee on the Pentagon for Houston. That's what

1 you see in Houston. There is Pentagon, at least
2 10, 15 percent. They appointed executive committee
3 that said that the Pentagon group for Houston, why
4 their membership of Houston is still Progressive
5 and controlled their property. In their own case
6 they own a big clubhouse. They spend close to two
7 million dollar. That is on the Progressive. And
8 these few people that they appointed to their
9 executive committee, the other group has 12, that's
10 what is going on. They are creating friction
11 within the group.

12 Why they're doing it, because in US
13 they have no legal power from Nigeria to control
14 any branch within US, except by dividing the
15 membership. So their lawyer advise them the only
16 power you can have in any of this branch is you can
17 create confusion within the branch and divide them.
18 So they writing the letter trying to see people who
19 are gullible and say, oh, we give you position,
20 you're now the chairman. Even if you weren't
21 elected on this branch, we give you this letter.
22 The other group expelled. You can use our logo.

23 So they're now trying to use their US
24 trademark to give support. And they said you
25 want -- people shouldn't use the name. We

1 appointed executive committee that is at the
2 legislate. And that's what this whole fight is all
3 about. It's all the branches in US and Canada, as
4 well.

5 Q. This is what confuses me with your
6 entire theory of your case, or whoever's case it
7 is, because we can't establish, you know, exactly
8 why you're here, except for being a fact witness.

9 If you all contend that you are the
10 actual owner of this trademark, why, then, are you
11 trying to cancel it? To me, it seems more along
12 the lines that you're trying to cancel it because
13 there's been a split, Pentagon or whatever you want
14 to call it. And then you're trying to cancel it
15 for whatever reason so it can't be used to enforce
16 against you. And I just -- I just don't see that,
17 effectively, that you guys are -- you know, that
18 you have the right to cancel the thing.

19 Anyways, sorry, that was sort of a
20 long diatribe. I apologize. There's no question.
21 You can strike it all, if you want?

22 I think at this juncture, let me just
23 check. I do not have any further questions at this
24 time.

25 A. Okay.

1 MR. TAYLOR: Matt, I want to move, while
2 I think of it, move the exhibits that we referenced
3 and presented to the witness, of course, subject to
4 your objections and our response is the same. But
5 I just want to go ahead and do that while we're
6 still on the record.

7 MR. SWYERS: And let's, if we may,
8 because I think at our last deposition we may have
9 put them all in and I want to clarify. I have in
10 order you referenced PP-1, I have no objection.
11 PP-5, I object to the authenticity, but, otherwise,
12 it should be attached. We are not attaching, I
13 assume, PP-3 or PP-4 because they weren't spoken
14 about.

15 MR. TAYLOR: Um-hum.

16 MR. SWYERS: I don't see where we spoke
17 of PP-6 either.

18 MR. TAYLOR: No, we didn't.

19 MR. SWYERS: Getting on to PP-7, I have
20 no objection to that. We skipped PP-8. PP-9, no
21 objection to that. PP-10, no objection. PP-11, no
22 objection. PP-12, 13, 14, no objection. And
23 PP-15, no objection. And that's the total exhibits
24 that I have that are going in.

25 MR. TAYLOR: What we have is PP-1, PP-5,

1 PP-7, and we have 9, 10, 11, 12, 13, 14 and 15?

2 MR. SWYERS: That's what I have,
3 correct.

4 MR. TAYLOR: Okay. Thanks. That was
5 helpful to do that. Okay. We're done.

UN-AUTHORIZED USE OF THE NAME OF PEOPLES CLUB OF NIGERIA INTERNATIONAL

The attention of National Executive Committee (NEC) of Peoples of Nigeria International has been drawn to the letters dated July 14, 2014, and signed by Chief Dr. Sir J. I. Ilonze and Mr. Smart Ebere but sent on July 11, 2014, addressed to Dr. Iddi Mgbako and purportedly granting him authority to prosecute users of Peoples Club of Nigeria International Trademark Design and the second letter addressed to "All Branches of PCNI and the General Public in USA".

To be clear, Peoples Club of Nigeria International and Club Trademark Design registered in New Jersey USA under the President Emeritus and Patron Trustee Elect, Chief Fabian Onwuachu regime, belongs to all PCNI Members, not to a few or selected individuals. Thus, any legal action instituted by any person(s) on the Trademark Design #86116372 shall be met by a counterclaim.

I urge any person or group of persons who think(s) otherwise to heed this advice and warning, and to use civilized remedies, and desist from intimidation and harassment of the PCNI members in their legitimate exercise of their freedom of association.

Members of Peoples Club of Nigeria International have the right to freedom of association and pursuit of happiness; they also have the legal right to use the Club Name and Logo in all meetings and events.

Peoples Club of Nigeria International 2014 Convention and Inductions in America was approved by both Club NEC and by General Membership at the Extraordinary General meeting of the Club Stakeholders held on the 19th April, 2014 at Onitsha. The convention is open to all peace loving and law abiding members of Peoples Club of Nigeria International.

Petitioners 0068

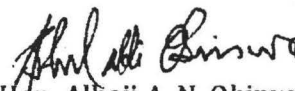

I urge all law-abiding and peace-loving Members of our Club to remain calm and steadfast, and ignore any attempt to stop them from coming out en mass in exercise of their right to freedom of association and pursuit of happiness. Come to the 2014 convention and Induction ceremonies to have fun, network with other Club members in a spirit of love for one another and to serve each other and humanity in general.

It has been stated time and again that the current situation in the Club can only be resolved in a peaceful atmosphere based on dialogue, the principle of give and take and abiding faith in God, and the rule of law, not by intimidations, arm twisting and blackmail.

STATEMENT OF CLAIM

1. The 1st Plaintiff is a member of People's Club of Nigeria while 2nd, 3rd and 4th Plaintiffs are Patrons of the said Club. The 2nd Plaintiff is also known as Dr. Uche Eze. On their own part, the 5th, 6th, 7th, 8th, 9th, 10th, 11th, 12th and 13th Plaintiffs are the Branch Chairmen respectively of Princeton Junction Branch, Houston Branch, Washington DC Branch, Miami Branch, Toronto Branch, San Francisco Branch, Chicago Branch, San Antonio Branch and Arlington Branch of Peoples Club. The 5th - 13th Plaintiffs bring this action for themselves and as representing the members of the Executive Committees of their respective branches of Peoples Club of Nigeria.
2. The Plaintiffs are Stakeholders in the affairs of the Club who would desire the smooth and orderly running of the affairs of the club.

3. 1st – 10th Defendants are disgruntled members of Peoples Club who are bent on hijacking the leadership without due regard to the constitution of the club.
4. People's Club of Nigeria is a social Organisation registered under Part C of the Companies and Allied Matters Act, contained in the Laws of Federation of Nigeria Cap C28, 2004 with RC No. 1295. A Certified True Copy of the particulars of trustees of the Peoples Club of Nigeria is hereby pleaded. The Club has its headquarters in Nigeria and has many branches in Nigeria and in Diaspora but the activities of the club including that of its numerous branches are run and/or controlled from the Headquarters in Nigeria.
5. Every member and branch of the club no matter his residence is answerable to and reports back to the Headquarters which is in Nigeria. The said Club has a Constitution duly deposited in the Corporate Affairs Commission upon its application for registration as an Association. The said Constitution clearly delimited and spelt out the offices, functions and duties of the Officers and the officials of the Club. The Plaintiffs plead the said constitution and shall rely on same at the trial.
6. The Plaintiffs are aggrieved by the acts of the 1st – 10th Defendants in jettisoning the Constitution of the Club in purporting to run the affairs of the Club. The Plaintiffs as stakeholders in People's Club of Nigeria are insisting on the implementation of the provisions of the constitution of the club for the smooth and orderly running of the affairs of the club and that insistence on due process has drawn the ire of the 1st – 10th Defendants and their cohorts.
7. Owing to the gimmicks and the unconstitutional acts of the herein 1st – 10th Defendants and other disgruntled members of Peoples Club of Nigeria who are bent on jettisoning the Constitution of the club in purporting to run the affairs of the club, the herein 2nd – 4th Plaintiffs and one Chief Marcel Ananukwa with the active support of a vast majority of the members of the club had instituted an action in Suit No. FHC/AWK/CS/24/2013 Between Chief Marcel Ananukwa & Ors v. HRM Igwe P. C. Ezenwa (MFR) & Ors. The said suit is at the time of filing the present suit pending at Federal High Court, Awka and the subject-matter of the said suit is a challenge to the claims of the therein Defendants to the leadership of the club as trustees and/or officers of the club. A copy of the extant originating processes in the suit is hereby pleaded. The suit seeks, *inter alia*,

- a. Declaration that the National Executive Committee of the club in order to function must include elected National Officers of the Club who should have been elected as provided for in the Constitution of the club.
- b. Declaration that the therein 1st and 3rd Defendants have no powers and/or are not entitled to carry out the functions of the National Executive Committee of the People's Club of Nigeria and that they have no right and are not entitled to issue out documents purporting to be acting for Peoples Club of Nigeria.
- c. **AN INJUNCTION** restraining the therein 1st, 3rd and 5th Defendants either with the active or the passive support of the other Defendants therein from interfering, meddling, usurping, taking over or carrying out the duties of the National Executive Committee of the People's Club of Nigeria.
- d. **AN INJUNCTION** restraining the therein 1st, 2nd, 3rd, 5th, 7th and 8th Defendants from issuing out Notices and/or documents purporting them to be acts of Peoples Club of Nigeria.
- e. **AN ORDER** setting aside as a nullity the purported appointment of the herein 2nd Defendant as the Administrator of the club.
- f. **AN ORDER** setting aside all the acts of the herein 2nd Defendant purported to have been done as the Administrator of Peoples Club of Nigeria from the date of the service of the said suit on him.
- g. **AN ORDER** directing that the herein 2nd Defendant refunds unto the club all monies withdrawn from all or any of the accounts of the club or any sums of money received on behalf of the club since the service of the Originating Processes in the said suit on him.
- h. **AN ORDER** setting aside as a nullity all or any of the acts of the therein 1st, 2nd, 3rd, 5th, 6th, 7th and 8th Defendants or any purported officers of the club acting under the therein 1st, 2nd, 3rd, 5th, 6th, 7th and 8th Defendants purporting those acts to be acts of the National Executive Committee or Board of Trustees/Patrons of the Club.

- i. **AN ORDER** restraining the therein Defendants from suspending, expelling, punishing or in any other manner whatsoever, victimizing the Plaintiffs in the said suit and/or their teeming supporters for redressing the grievances pertaining to the dispute in the suit or any other matter related thereto in Court.
8. Upon becoming aware of the pendency of the suit, the herein 1st - 10th Defendants became aggressive against the herein Plaintiffs and other members of the Club.
9. The 1st - 10th Defendants spearheaded by the 1st Defendant are issuing out threats to members of the club who are averse to the Defendants' quest to stifle the club in their strangle-hold. The 1st - 10th Defendants are perfecting a scheme by which they are harassing the Plaintiffs and other members of the club to denounce the action that is pending in court.
10. Immediately upon becoming aware of the said suit, the 1st Defendant issued a letter to all the branches of Peoples Club of Nigeria calling on them to denounce the action already pending in court or face sanctions. The said letter is hereby pleaded.
11. The 1st Defendant has been churning out letters to different members and branches of the club threatening to suspend the members, patrons and/or dissolve the executives of the branches of the Club and also purporting to have suspended and/or dissolved them for supporting the action pending in Court.
12. The branches of Peoples Club of Nigeria which the 1st - 10th Defendants purport to have dissolved and/or threatened to dissolve include Princeton Junction Branch, Houston Branch, Washington DC Branch, Miami Branch, Toronto Branch, San Francisco Branch, Chicago Branch, San Antonio Branch and Arlington Branch.
13. The 1st and 2nd Defendants with the support of 3rd - 10th Defendants authored a letter dated 20/7/2013 in which they purport to have suspended the herein 2nd, 3rd and 4th Plaintiffs from the Club. In the said letter of 20/7/2013 which is hereby pleaded, the 1st - 10th Defendants purport to have taken the decision to suspend the 2nd, 3rd and 4th Plaintiffs in a meeting of a purported Central Executive Committee of Peoples Club.

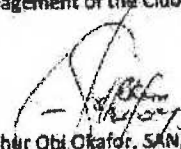

14. The 1st – 10th Defendants have styled themselves the Central Executive Committee, Governing Council and/or President-in-Council of Peoples Club of Nigeria and they are hiding under those aliases to harass members of the Club including the Plaintiffs.
15. There is no office or post under the Constitution of Peoples Club of Nigeria known as or referred to as Governing Council or President in council. There is also no committee under the Constitution of Peoples Club of Nigeria known as or called the Central Executive Committee of Peoples Club.
16. The club is governed by elected officers and not by hand-picked and/or imposed persons. The tenure of the last elected executive officers of the club were prematurely terminated in 2012 and upon the said termination, the herein 1st – 10th Defendants who are angling to hijack the leadership of the club and working in concert with their cohorts do not want the club to elect Executive Officers who will superintend the affairs of the Club. Instead, they contrived the appointment of the 2nd Defendant as the Administrator of the Club. The post of Administrator is not known to the constitution of the club and is part of the gimmicks of the 1st – 10th Defendants and their cohorts to manipulate the affairs of the club and prevent the holding of election to fill in the executive positions in the club.
17. The 1st – 10th Defendants have been meddling in the powers and functions of the President and other elected Executive Officers of the Club with a view to taking over same.
18. The 1st – 10th Defendants purporting to act as Administrators, Governing Council, President-in-Council or Central Executive Committee do not have the power to punish, discipline or suspend any member of Peoples Club of Nigeria especially with the pendency of Suit No. FHC/AWK/CS/24/ 2013 Between Chief Marcel Ananukwa & Ors v. HRM Igwe P. C. Ezenwa (MFR) & Ors.
19. The purported dissolution and/or suspension and threat of dissolution and/or suspension by the 1st – 10th Defendants is null, void and of no effect whatsoever.
20. Unless the Honourable Court intervenes, the 1st – 10th Defendants will continue to act in total disregard of and contrary to the Constitution of People's Club of Nigeria and harassing and witch-hunting the Plaintiffs and other members of the club in general.
